OGC R4 OWOW
Proposed Path o...

Draft FL MOA
language on ES...

Hi Steve – I'm attaching downloaded files and one drive links to the two FL documents. We have tried to address your comments. I have versions that retained all our edits and comments but it's so messy that I am just sending clean versions.

The region wants the "path" paper very much. If you think we can send staff this draft, let us know.

Thanks,

Alexis
